

From the Headmaster: Mr C. Hyde-Dunn, MA(Oxon), PGCE, MA(Ed.), NPQH

Letter to parents of boys in Year 7 Core Skills + group and boys in Year 8N

Friday 3 February 2012

Dear Parents,

*Visit to Palace of Westminster (Houses of Parliament) and Clock Tower (Big Ben)*

I have arranged this curricular visit which includes two guided tours and a workshop called 'Making Laws' for 21 June 2012. For security purposes at Big Ben, I am required to provide some details about the children. These are all available on the school database apart from their places of birth. Please would you e-mail this information to me as soon as possible as I have already received the security form from the authorities?

Plenty of information about this visit will follow nearer the time. In the meantime, it would be excellent preparation if the boys were to keep an eye on any news which relates to Parliament (including noticing on television the Central Lobby from where journalists report parliamentary affairs).

I trust that all boys invited on this visit will wish to participate but please would you let me know if your son will not be coming? Stefan will be one of other the accompanying adults.

Yours sincerely,

Alyson Mason
