

From the Headmaster: Mr C. Hyde-Dunn, MA(Oxon), PGCE, MA(Ed.), NPQH

Letter to parents of boys in Year 8S and 8J

Friday 13th January 2012

Dear Parents

Year 8 Visit to Didcot Power Station

I am taking the Year 8 boys to visit Didcot Power Station on Friday 20 January 2012. They will leave school at 09.30 and return in time for lunch.

The aim of this trip is to understand how electricity is generated and to consider the environmental impact of this. The boys are to wear school uniform please and will need a warm coat as we will be walking outside around the site.

Yours sincerely

Claire Delo
