

From the Headmaster: Mr C. Hyde-Dunn, MA(Oxon), PGCE, MA(Ed.), NPQH

Letter to parents of boys in Reception, Year One and Year Two

Friday 13th January 2012

Dear Parents

Pre-prep Trip to Oxford Natural History Museum

Next Friday 20th January all three Pre-prep classes are going to the Natural History Museum in Oxford as part of our Dinosaurs Topic.

We will leave school by minibus around 9:30 and return in time for lunch. Each class has a session with the museum staff exploring real fossils and learning more about dinosaurs. We will also explore the exhibits and go on a dinosaur hunt around the museum.

There is no cost for this trip – admission to the museum is free and we are using school minibuses.

However, there is a shop selling all sorts of treasures which we are sure the boys would enjoy! So please could you send in £2 in a named wallet or envelope.

After School Care

May I ask that parents please fetch their boys' belongings from their lockers in the Pre-prep department **before** collecting the boys from the after school care facility. The storage and transportation of these items has proved very difficult and we hope this arrangement will alleviate the situation. Thank you for your consideration in this regard.

Yours sincerely,

Pre-prep Team
