Letter to all parents

Friday 20 January 2012

Dear Parents

Novovirus

We have a number of boys away currently, particularly in the Middle School, with sickness and diarrhoea. The virus which causes this is highly contagious. We respectfully request therefore that your child should not return to school until **48 hours** after the last episode of vomiting or diarrhea as reinfection of your own child and infection of others is likely.

Your cooperation is much appreciated.

Yours sincerely
