Letter to parents of pupils in Years 1-8

Friday 27 January 2012

Dear Parents

House Music Competition

This is just a reminder to all pupils to please bring in their instruments and music every day next week, as I will be holding the first round of this competition in their class music lessons. They are only required to play/sing one piece and this will be performed to the rest of their class.

The final round will be in the hall, in front of the school on Thursday 23 February at 14.30.

Yours sincerely,

Tara Copus
