Letter to parents of (Common Entrance) boys in Year 8

Friday 10 June 2011

Dear Parents

Procedure for CE exam results – Thursday 16 June

In the past few years, some parents have wanted to be in school to share their son's CE results with them. We are, of course, happy to see you for this important moment.

To this end, if you do wish to come in on Thursday 16 June could you please make your way to the Library at around 11.30. Your son will then meet you there and share the results they have achieved.

If you cannot attend, we can arrange for your son to telephone you (briefly) to share their news. In order to organise appropriate refreshments, could you please contact me via email as soon as possible.

Yours sincerely
