

Abingdon Preparatory School 2012 Summer Ball

Would you like to be involved in planning next year's School Ball?

Do you have an idea that can be transformed into a theme?

Do you know of local bands that will provide great music to let us dance away to the small hours?

What about food ideas?
Or choosing the wine?

Could you use your artistic talent to inspire decorating of the marquee?

We ideally need a committee of about eight people in order that the ball can go ahead.

If you are interested please could you contact either:
