

What is Denplan Sports Physiotherapy Plan?

keyfacts

Denplan Sports Physiotherapy Plan provides pupils of independent schools with cover all year round for physiotherapy treatment needed as a result of a sporting injury occurring while the insured child is participating in any sporting activity. This can be both in and out of term time.

The following is a summary of the benefits of Denplan Sports Physiotherapy Plan:

Benefits	Denplan Sports Physiotherapy Plan
Physiotherapy treatment required as a result of a sporting injury sustained whilst playing sport in the United Kingdom	75% of treatment costs incurred up to a maximum of £225 per policy year

What are the main exclusions and limitations of Denplan Sports Physiotherapy Plan?

As with all insurance policies general exclusions and limitations apply. The following is a summary of the main exclusions and limitations of the policy:

Exclusions	For full information
Claims cannot be made which arise as a direct or indirect result or consequence of participating in any professional sport.	The Terms & Conditions section on page 20, Section 5. Denplan Sports Physiotherapy Plan.
Physiotherapy treatment received outside of the UK.	The Terms & Conditions section on page 20 Section 5. Denplan Sports Physiotherapy Plan.
We will only pay for physiotherapy for a medical condition and will not pay benefit for diagnostic tests or consultations.	The Terms & Conditions section on page 20, Section 5. Denplan Sports Physiotherapy Plan.
If you pay your premium directly to Denplan the insured child can only be covered under the Terms & Conditions of the policy from the commencement date if you are resident in the UK, Isle of Man or the Channel Islands.	The Terms & Conditions section on page 17, Section 2. Eligibility.
