University places 2016

The list of places won at universities, drama schools and colleges is correct as we went to print in September 2016. Those reapplying, or whose destinations are unknown, are not listed. We hope the list demonstrates the range and quality of universities and courses for which Abingdon pupils are accepted. The number in brackets refers to the number of pupils taking that course if more than one.

Bus routes 2016-17

Joint Bus Service for Abingdon School, St Helen and St Katharine and The Manor Preparatory School

School bus routes from September 2016 for the next 12 months are shown on the map. We reserve the right to adapt them to match changing numbers, timings and roads. Please note that travel on buses is taken for a full term. Notice to change arrangements must be made in writing to the Accounts Manager with a full term's notice given. The routes shown are an indication of the bus network.

Not all routes will have an am and pm service, please check on the School website for full details of timings and costs: www.abingdon.org.uk/joint_bus_service
