## **U6th Mock Timetable**

This is the main mock exam timetable for guidance. There exceptions for particular boys. All boys have been emailed with their individual timetables and should consult that for correct times and locations of their exams.

| Mon 20th    | 9:00  | Chemistry         | Thur<br>23rd | 9:00  | Economics             |
|-------------|-------|-------------------|--------------|-------|-----------------------|
|             |       | Economics         |              |       | English               |
|             |       | Philosophy        |              |       | Further Maths         |
|             |       | Religious Studies |              |       | French                |
|             |       | Spanish           | Thur<br>23rd | 13:30 | Government & Politics |
| Mon 20th    | 13:30 | Ancient History   |              |       | Theatre Studies       |
|             |       | Economics         |              |       | Economics             |
|             |       | Geography         |              |       | German                |
|             |       | Greek             |              |       | Latin                 |
|             |       | German            |              |       | Maths                 |
|             |       | Physics           |              |       | Religious Studies     |
| Tue 21st    | 9:00  | Business          | Fri 24th     | 9:00  | Chemistry             |
|             |       | Design Technology |              |       | History               |
|             |       | English           |              |       | Psychology            |
|             |       | Latin             | Fri 24th     | 13:30 | Ancient History       |
|             |       | Physics           |              |       | Business              |
| Tue 21st    | 13:30 | Biology           |              |       | Chemistry             |
|             |       | History           |              |       | Geography             |
|             |       | Music             |              |       | Greek                 |
| Wed<br>22nd | 9:00  | Further Maths     |              |       | Physics               |
|             |       | French            |              |       | Spanish               |
|             |       | Maths             |              |       |                       |
|             |       |                   |              |       |                       |
