

# ABINGDON TOUCHLINERS

Abingdon Touchliners is the parental support group for rugby at Abingdon School. We are there to:

- Promote rugby and encourage involvement in the sport for all boys and parents too.
- Combine a social focus for rugby parents and boys together with fund-raising activities for all teams.

There is a unique sense of camaraderie and belonging that rugby inspires amongst players and parents and this seems to resonate both on and off the pitch. Touchliners is about encouraging and maintaining that spirit and working together to support the boys in all teams.

As parents, we can always be found (and usually heard) on the touchline encouraging the boys and, as an organisation, we are looking for new members. Your contribution can vary from general membership and attendance at social functions to involvement in the committee. We are always looking for volunteers to help out at social events and are keen to encourage as many existing and new parents to join us.

Touchliners is about rugby for all, so whether your son is in the 1<sup>st</sup> year or in the 1<sup>st</sup> XV, you are more than welcome to join us!

Any queries concerning Membership, Touchliners events, Touchliners as an organisation, or any offers to help will be greatly received. You can get in touch with us via the following e-mail address – [touchliners@abingdon.org.uk](mailto:touchliners@abingdon.org.uk)
