Phelps' House Social for parents and pupils – Wednesday 26 May 7.00-9.00 pm

I am writing to invite you to the last Phelps' House Social, which will take place in the garden of Waste Court. It will be a casual and informal occasion; come for the entire duration or if you are on the way home from work, do drop in for as long as you can. Pupils, siblings and extended family are all very welcome.

In the past it has always proven to be an ideal opportunity to relax with a few nibbles and drink, to chat to the parents, pupils, tutors, to celebrate the success of the House and to wish all our exam candidates the very best of luck.

You will all be aware that this will be my final House Social and as such I hope it will provide me with an opportunity to thank you for your support and trust. Kimberly and I are looking forward to running the British International School of New York and we will take with us many happy memories of the House. The hunt is on for my successor.

Parking will be in the large main car park opposite the school, just off Park Road. I would very much appreciate a response from you, even if you cannot make it this time, via email or using the tear-off section below and then ask your son to return it to their tutor.

I hope to see you there and in the meantime if you have any questions please do get in touch in the usual way.

Yours sincerely,

William Phelps
