

*With very best wishes for
Christmas and the new year
from
the English Department and the Library*

This Christmas, get yourself into a great story...

Winter wonderlands

In a world both like our own but also different, a girl and a boy – aided by witches, Gyptians, an angel, an aeronaut and an armoured bear – set out on a quest to solve the mystery of Dust...

Festive feelgoods

Cosmo is desperate to keep his warring family together. He knows just what to do. But who listens to a Golden Retriever? This is the story of one dog's quest to save his family, become a star and eat a lot of bacon...

Seasonal suspense

Alone. On the run. Afraid for his life. Ollie Turner has nowhere to hide. But he gets a second chance. Underneath the city there's a secret organisation, far from adult eyes. It's called The Haven....

Holiday hilarity

It should never have happened, but somehow – with the aid of a recorder, keyboard, and very disturbed cat – Hector and Ollie have made a hit single. And now everybody wants a piece of them.
