

Allergen Disclaimer

Cakes by Desire operates a kitchen in which all allergens are present at all times and are in constant use. Furthermore we order our produce from factories which also deal with most if not all allergens. Whilst every attempt is made to prevent cross-contamination in our kitchen through high (Level 5) cleaning standards and food safety procedures, we are unable to guarantee that any food item is FREE from any specific allergen.

Where certain allergens have been flagged up for any specific boy in Cooking Club, that allergen will be avoided in recipes used in class while the pupil is present, eg eggs, but please be aware that the ingredients they handle may contain slight traces of common allergens, such as dairy, eggs, wheat, soybeans or any kind of nut.
