

ABINGDON

From Middle Master: Rev'd Paul Gooding

30 January 2015

Dear 5th form parents,

We have received an invitation from the School of St Helen and St Katharine inviting 5th form boys to an 'Applying to Oxbridge' event on Friday 27 February from 5pm – 7pm.

As in previous years, they have representatives from both universities giving advice and guidance on the different application and selection processes as well as a panel of current students to answer any general questions potential applicants may have. A provisional programme is attached here together with a booking link. I also attach the booking link here:

<http://shsk.org.uk/Home/Record-Response.aspx?ID=79807371-1C10-4C5B-B0DB-69141291E3C7>

As the event is advertised widely across the county please only encourage your sons to book a place if he has a firm commitment to attend. Early booking is advised as this has always proved to be a very popular event and they have been oversubscribed in the past. Once you have received a booking confirmation please email me so that I know which boys are attending. You will also need to arrange for boys to be collected promptly at 7pm please from the School of St Helen and St Katharine in Abingdon.

Yours sincerely

Rev'd Paul Gooding
