

ABINGDON

From: Librarian: Graham Gardner

6 February 2015

Dear Parent or Guardian

Abingdon Joint Schools' Author Visit 2015

This is to amend the information I sent you two weeks ago regarding the visit of author Caroline Lawrence to Abingdon School on Monday 2 March.

The letter you received stated that students would be welcome to buy books at the event, subject to stock availability. Due to the high numbers of students attending the events and pressure of time, this will no longer be possible.

If your son would like to buy books for signing by the author, he will need to order them in advance from the school library in association with **Mostly Books, Abingdon.**

Many of you have already indicated that you are happy for your son to buy a book and for the cost to be added to the school bill. If you have not done so and would like your son to buy a book, please sign the permission slip below and get your son to return it to the library by **Friday 13 February**. This will guarantee a signed copy of the requested book(s).

Students are also welcome to bring copies of Caroline's books that they already own to get them signed.

Yours sincerely

Graham Gardner
School Librarian
