

From the Chairman of Governors: Mr Adrian Burn

24 March 2016

Dear Parents

Notice of changes to tuition fees

I am writing to notify you of changes to the tuition fees for the forthcoming academic year.

The Governors and the Head and her leadership team strive not only to maintain but to improve the high quality of the all-round education the School can offer.

Our new 21 laboratory Yang Science Centre, opened in Autumn 2015, has transformed our outdated science facilities. The move has also allowed redevelopment of the previous science area for other subjects. In addition, the sports facilities at Tilsley Park have seen significant improvements. In order for the School to offer the highest quality of education, both academic and Other Half, we must continually invest in facilities and attract the best teachers. At the same time, the School strives to contain operating costs against increasing pressure on the costs of salaries and pension contributions.

With effect from 1 September 2016 the termly tuition fees will be:

Abingdon School:

Day pupils:	£6,195
Weekly boarders:	£10,755
Full boarders:	£12,875

Abingdon Prep School:

Reception:	£3,755
Year 1:	£4,340
Year 2:	£4,630
Years 3 & 4:	£4,975
Years 5 & 6:	£5,100
Years 7 & 8:	£5,160

I hope that you enjoy a refreshing Easter holiday and the Governors, the Heads, the staff and I look forward to next term and to the new academic year with much enthusiasm.

Yours sincerely

Adrian Burn
