

From Middle Master: Andrew Crisp

18 January 2019

Dear 2nd year parents

### **3rd year induction day Monday 2 September 2019**

Please note, for your diaries, that we will be running a 3rd year induction day on Monday 2 September, the day before the Michalemas term starts. This will be in addition to the induction event that we will be running on Tuesday 25 June. We will be starting the day with some fun team building activities as we are conscious that boys will have just returned from their summer holidays and it will be important to break the ice with fellow tutees before term gets fully underway.

A central aim of the day will be to allow the boys to spend time with their tutor, a key pastoral contact within their house groups. Their tutor will be on hand throughout the day to help guide boys through various pieces of information before the start of term. These will include: health and safety matters, ICT, the careers guidance program, other half choices, the timetable and homework as well as other matters.

Please note that school buses will **not** be operating on that day, so please can you bear in mind that boys will need to make their own way into School for 9am. Refreshments for parents will be at 4pm when your sons can be collected.

I hope this gives you sufficient notice to make holiday and pre-term plans. I will write to you with more information about the day nearer the time. I look forward to welcoming your sons into the Middle School and look forward to meeting you at some point during the year.

Yours sincerely

Andrew Crisp
