Dear Parents

**Violin Masterclass with Levon Chilingirian
Wednesday 19 November at 6.00pm, CMR**

I hope that you have this event on Wednesday next week firmly marked into your diaries. Levon Chilingirian is a legendary violinist and teacher.

The evening's playing and tuition will be relevant to all our string players at the school and the first item includes all members of the Chamber Orchestra who will be accompanying Joe Barber's *Violin Concerto*.

The boys (and their parents) will learn a huge amount by hearing and seeing Levon working with our top violinists. Please come. Admission is free (thanks to the Music Society) and we start at 6pm in the CMR.

Yours sincerely

Michael Stinton
