

From The Senior Teacher & Head of Geography: Ian Fishpool

11 September 2015

Dear parent

L6 Geography Fieldwork to Christchurch Bay

The geography department will be running a day long field trip to Christchurch Bay on the south coast on Monday 28 September.

The day is designed to give an overview of coastal processes and management issues in the area. The trip will depart at 9.00am from the school coach park and will return, traffic dependent, at approximately 6.00pm. It is unlikely that we will be back at school in time for the school coaches.

The cost of the trip will be £15.00 to cover the cost of the coach for the day and this will be added to your school account. There are no additional costs involved. A packed lunch will be provided, but your son may well want to purchase additional supplies during the day.

I would be grateful if you could complete and return the attached Parental Consent form to me at school as soon as possible and, at the latest, by Monday 21 September. You can also email the form back to me at school.

If you have any further questions, please do not hesitate in contacting me at school, email being the best method.

Yours sincerely

Ian Fishpool
