

ABINGDON

From Head of Learning Support: Celia Collins

2 October 2015

Dear Parent of boys in Third Year

As part of our baseline testing and screening procedure at Abingdon, all boys in the Third Year are routinely tested to ascertain their levels of attainment in reading, spelling and writing.

The assessments enable us to identify and if necessary support any boys whose results suggest disparities between academic potential and current attainment. Whilst of course we expect all boys to take testing seriously, there is nothing specific your son can do to prepare for these tests.

Reading tests have already taken place during library lessons, with spelling and writing tests to take place in English lessons during the coming fortnight.

Yours sincerely

Celia Collins
