Team organisation and tickets

Please encourage boys to come along as well as adults. FASBC will organise adults into teams with parents of their year group - a great opportunity to get to know fellow rowing parents before the regatta season starts. Boys are put in a team with their fellow year group rowers. Teams are generally six to eight people but this is flexible.

If you have your own team, please put the team name in the space provided below and write the list of team members at the bottom of this form
