

ABINGDON

From Teacher i/c Swimming: Tom Donnelly

4 December 2015

Dear Parent / Guardian,

***Lower School Invitational Developmental Swimming Lessons  
Lent Term - 2016***

I am writing to invite all Lower School pupils to attend a series of free, developmental swimming lessons that will be held at Abingdon School on a Tuesday afternoon from 4:15pm till 5:00pm during the Lent term. Swimming is a vitally important life skill taught in the Physical Education curriculum, however due to the vast range of opportunities and experiences we like to provide pupils within lessons, boys only experience 5 weeks of swimming lessons every year. These additional lessons will provide pupils with the opportunity to develop their water confidence and enhance their technical control, in a more personalised small class environment.

If your son would like to take advantage of this additional opportunity, I would be very grateful if you could make me aware of his intentions via email by Thursday 10 December.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Tom Donnelly - Teacher i/c Swimming
