Dear Parent,

Re: GCSE History, Hindsight magazine subscription

We have been offered an excellent opportunity for boys studying GCSE History to continue to subscribe to the magazine GCSE Hindsight at a reduced rate.

A one year subscription to the magazine is £10. We would like 4th year students to take up this offer and 5th Year students to continue as I think it is a good idea for them to read some extra material at GCSE. The magazines contain specially written articles to help students get to grips with major historical events and key people of the twentieth century and earlier, regular features to help students develop skills using historical sources and useful advice on exam preparation.

For ease of administration it would be most helpful if the cost of the subscription could be added to your son's school bill. If you do **not** wish your son to receive the magazines please could you return the form at the bottom of this letter to Mr McGill by half-term or send me an email (david.mcgill@abingdon.org.uk). **If you are happy for your son to take up this offer of a subscription you need not reply** – we will simply add the £10 to this term's bill and £10 next year as well.

Thank you in anticipation for your support of this initiative.

Yours sincerely

David McGill - Head of History
