

From Upper Master: Nick O'Doherty

11 October 2019

Dear Parents

*Into the Sixth Form Information Evening  
Monday 11 November, 6pm*

I am writing to invite you and your son to an evening of presentations about the A Level curriculum, the options process and individual subject courses. The format of the evening is:

- 6pm Introduction to the curriculum & process in the Amey Theatre.  
6.40-8.40pm Individual subject presentations in Greening Court classrooms (subject schedule attached).

Refreshments will be available in Beech Court throughout the evening.

I will be speaking to your sons in an assembly after the half term holiday and will encourage them to share their ideas with both their tutor and yourselves. We are at a relatively early stage in the A Level choices process, and final decisions will not be made until February. I hope you can enjoy this evening as a fact finding and, possibly, myth busting event. The 20 minute subject sessions will include course content & structure, "entry requirements" (including essential/desirable other subjects), and the opportunity to ask questions. Current sixth form students will be present where possible.

Your sons will be given this advice:

- Consider not going to a session if you're certain you're going to do that subject. Better to go and find out about those you're choosing between.
- We can't fit all prospective mathematicians into the room at once, so please choose your session according to first letter of surname if you can.
- Choose the subjects with the fewest sessions first.

If you have any further queries about the evening, please don't hesitate to contact me; email is best [nick.odoherty@abingdon.org.uk](mailto:nick.odoherty@abingdon.org.uk)

Yours sincerely

Abingdon School, Park Road, Abingdon, Oxfordshire, OX14 1DE
