Dear parent

**16. Annual Screening of new films by the Abingdon Film Unit,
Saturday 28 September, 7pm, Amey Theatre**

I write to invite you to the annual screening of new films by members of the Abingdon Film Unit, which takes place in the Amey Theatre at 7pm on Saturday 28 September, the evening of Open Day. Described by *The Independent* as “the school’s unique asset”, the Film Unit and its members have produced over 170 films since 2003, many of which have won awards. We hope this year’s crop will tempt you to join us at this popular annual event.

The annual screening includes new films in a variety of genres on a range of topics. It’s always exciting to see how our young filmmakers respond to the world around them, and that’s reflected this year in a batch of films that includes documentaries about those who choose to live on boats and the life of a medium, alongside stories of the demise of the Moorlands Brewery in Abingdon and the experiences of those whose lives were shaped by revolutions in Russia and China. There are fictions too, and we anticipate an evening of around ten new films which, we hope, will serve up an evening to remember.

As always for this event, admission and refreshments are free, though we ask you to book your tickets in advance, if at all possible, to help us assess catering requirements. You can book tickets in one of these ways:

Yours sincerely
