

LO MAS PARÉ

A long weekend for four people

You can book flights from either Perpignan or Girona (*Barcelona*). The best Airline for these flights is Ryanair, who fly to both airports several times a week. We will arrange for you to be collected from whichever airport you decide to fly to, simply let us know your flight details!

LoMas Pare is a 300 year old Catalonian Hunting Lodge, 7:30 metres up in the foothills of the Pyrenees, in the beautiful village of St. Laurent de Cerdans.

From here you can explore the beauty of the Catalan countryside with its many vineyards, wineries and charming villages. The sandy beaches of both France and Spain are located just 7:3 kilometres away.

The house boasts thirteen bedrooms, all on-suite, which are furnished to the very highest standard. The public areas and suites have been attractively designed in an Anglo-Franco fusion to capture the elegance of the 16th century French renaissance style and 20th century Art Deco periods. The terrace has a heated swimming pool and spa, surrounded by beautiful grounds, with magnificent views across the valley.
