Amidst the whirl of family life, there are few better feelings than knowing you've done what's best for your loved ones. The comfort from knowing that they are supported by Private Medical Insurance in case they fall ill cannot be understated.

## **The Marsh and AXA PPP healthcare relationship**

AXA PPP healthcare are delighted to be supporting Marsh. AXA PPP healthcare provides you with expertise, innovative products and service you can trust. With nearly 80 years' experience of providing healthcare cover, we have been helping people with their health and wellbeing for longer than the NHS.

Our Health at Hand health information helpline provides ongoing support, including paediatric care. Simply call 0800 003 004. Nurses and counselors are available 24/7. Midwife and pharmacist services: Monday to Friday 8am to 8pm, Saturday 8am to 4pm Sundays 8am to 12pm.

## **Support you and your child can rely on**

The feeling your child is in a safe pair of hands is reassuring at a difficult time. If your child is unwell and their GP recommends further treatment, their Pupils' Healthcare Scheme membership will aim to make the experience easier and less stressful through:

- Cover for an adult to stay with your child in hospital when they are receiving in-patient treatment, even when the adult isn't an AXA PPP healthcare member.
- Hotel accommodation benefit of up to £100 a night, up to £500 a year in addition to the adult accommodation benefit.
- Providing award winning customer service and an impressive range of healthcare support services.
- Treatment by experts in their field, so you can be confident your child will have access to appropriate treatment and care.
- Covering conditions that were present before the membership started.
- Being covered outside of school hours and term times, providing treatment is in the UK.

## **Care when it's needed**

The Pupils' Healthcare Scheme gives you the peace of mind that should your child become ill, which is an already stressful time, they have fast access to treatment and care for eligible conditions. Cover is available for only £99 per child for each term during the membership year 1 September 2019 to 31 August 2020. This includes Insurance Premium Tax (IPT), however AXA PPP healthcare reserve the right to amend the charge if IPT increases.

Once cover has commenced it will continue as long as your child remains at the school, the premium continues to be paid and the school continues in the the Scheme. Your subscription to healthcare cover is part of the overall fees you pay to the school.

## **Expert help for health information and support - just ask - any time of the day**

Imagine having a medical expert in the family – someone you could call anytime you have a health worry, big or small.

That's exactly what Health at Hand, our 24/7 helpline, is here for. You and your family can call our medical experts any time of the day or night. Our midwives, pharmacists and nurses have experience in child health issues. So you can get expert information on vaccinations, nutrition and childhood illnesses.

## The main things we don't cover

Like all health insurance schemes, there are a few things that are not covered.

We've listed the most significant things here, but please also see the details in the scheme handbook.

- Chronic conditions.
- Treatment received outside the UK.
- Private GP fees.
- Treatment for normal ageing, for example puberty.
- Health checks and dental treatment.
- Learning and development disorders.
- Fees for specialists who aren't recognised or charge above our agreed rates.
- All costs incurred once your child's cover has ended, even if they were pre-authorised, or the condition began when your child was included.

The details given are a summary of the scheme. Full details of the cover available, including what is and isn't covered, are given in the membership handbook. A copy is available at [axapphealthcare.co.uk/pupilshealthscheme](http://axapphealthcare.co.uk/pupilshealthscheme).

## Membership information

Once your child is a Pupils' Healthcare Scheme member, there are a few things you need to know. Firstly, any treatment your child is looking to have needs to be medically necessary. We recommend you inform us before any treatment to confirm your child's cover.

## Paediatric facilities in private hospitals

There will be cases where the NHS will be best placed to provide care locally as not all private hospitals in all areas of the country have suitable facilities for children. When this is the case we will talk to you about your child's NHS options as well.

## Fast Track Appointments

Our Fast Track Appointments team can help you get those critical first specialist appointments into your diary as soon as possible. Ask your child's doctor for an open referral and we'll do the rest.

### Making a claim, some important steps to remember

1. The planned treatment must be covered under your child's membership.
2. In order to claim please call **03301 025 503**. Further information on claiming is contained within the terms and conditions.
3. Out-patient, day-patient or in-patient treatment must be carried out by a recognised specialist in a hospital within our directory, unless agreed by us in advance.

This is a summary of the cover that is available, for full Terms and Conditions and details please refer to the Pupils' Healthcare Scheme handbook, available at: [axapphealthcare.co.uk/pupilshealthscheme](http://axapphealthcare.co.uk/pupilshealthscheme) A copy of the schedule of insurance is available upon request from your school.

## **Making a complaint**

We aim to provide you with the highest possible standards of service but accept there may be occasions when you feel that things have gone wrong for you and you are unhappy with us. If you have a complaint about any matter please contact us and we'll do our best to address your concerns. Your feedback is vital to helping us to improve.

Further details on how to complain can be found in the 'Making a complaint' section of the membership handbook. If you're dissatisfied with the outcome of our investigation, you can ask the Financial Ombudsman Service (FOS) to consider your complaint. You should contact the FOS (0800 023 4567 or 0300 123 9 123) to find out whether you'd be eligible to have your complaint considered by them, as you'll need to meet specific criteria depending on your particular circumstances.

## **The Financial Services Compensation Scheme**

In the unlikely event that AXA PPP healthcare becomes insolvent and is unable to pay benefits under the scheme, you may be entitled to claim compensation from the Financial Services Compensation Scheme (FSCS). To find out whether you'd be eligible to claim under the scheme you should contact the FSCS (0207 892 7300).

Further information about the operation of the scheme is available on the FSCS website: [fscs.org.uk](http://fscs.org.uk).

## **Cancellation rights**

You can cancel your child's cover before it begins by notifying your child's school. You can cancel your child's membership within 21 days of cover starting and receive a refund from the school if no claims have been paid. If a claim is made within the 21 day cancellation period and the parent/legal guardian still wishes to cancel, then the parent/legal guardian is liable for the premiums for that term. If at any time you wish to end your child's cover you can do so from the end of any term and no refund will be made.

\*These fields are mandatory.

AXA PPP healthcare Limited, Marsh and any reinsurer will deal with all personal information in the strictest confidence. We will comply with the provisions of data protection legislation.

We use other companies to do some of our work for us and to run and improve our computer systems. Some of these are in countries outside the European Economic Area (EEA), including some where the laws protecting personal information may not be as strong as in the EEA. We take steps to ensure that any companies and intermediaries that we use give an appropriate level of protection. In this Data Protection section 'we' means AXA PPP healthcare. 'You' means the parent/legal guardian named in section 1.

### **How we will use your information**

We will process information about you, any Authorised Guardian and your child that may be supplied by those people, healthcare providers and Marsh.

We may contact healthcare providers for further information, for example to clarify an invoice, discuss an extension to a stay in hospital, or to get copy medical records. If we need consent to do this, we will get it first.

Personal Information will be used to:

- provide the services set out under the terms of this plan
- administer the plan
- develop customer relationships and services.

### **Sharing information with the school, any Appointed Guardian and the school's intermediary Marsh**

In order to manage the scheme and relationships with the above we may share non-sensitive information with any of the above who may use the information for the purposes and in a manner consistent with this section and/or legal or regulatory purposes. We will also share information about your child's mental or physical health or condition with any Authorised Guardian and if it is in your child's vital interests the school (if not the Authorised Guardian).

### **Information about your child**

When you give us information about other people, we will take this as confirmation that you have their consent to do so.

We will send most correspondence about the plan to the parent/legal guardian. We take both data protection and medical confidentiality very seriously and aim, where possible, to correspond with each individual member over the age of 16 about their claim. This may mean a child under the age of 18 may make a claim without the knowledge of the parent/legal guardian, for example, where the healthcare provider has determined the child is competent to consent to the medical treatment.

### **Your data and fraudulent claims and other crimes**

If we, or others, suspect that fraudulent claims have been made or other crimes have been committed, we are legally required to disclose information to the relevant law enforcement agencies.

We may disclose information to third parties, including other insurers, to prevent or investigate crime. This includes if there is a reasonable suspicion about fraud or improper claims. This may involve adding non-medical information to databases that other insurers and law enforcement agencies and other anti-fraud organisations will be able to access.

### **Your data and fitness to practise**

We are obliged to notify the General Medical Council or other relevant regulatory body if we have reason to believe a healthcare provider's fitness to practise may be impaired. This may mean that we need to disclose information about a treatment episode and your plan.

### **Marketing preferences**

Neither AXA PPP healthcare nor any other members of the AXA Group of companies will use the personal information provided in this form to contact any person about other products or services. Communication will only be in respect of your child's cover with AXA PPP healthcare including cover options when your child is leaving the school.

## 5 Appointing an Authorised Guardian

When dealing with an Authorised Guardian AXA PPP healthcare will be able to:

- Take details of a claim including health and medical information.
- Disclose health and medical information that it may have obtained from healthcare providers.
- Dependant on the medical practitioner's policies, for children under 16 obtain medical practitioner's notes and reports based on the Authorised Guardian's consent.

An Authorised Guardian will not be able to:

- Cancel your child's cover.
- Amend your child's cover.

If you or your child aged 16 or over wish to appoint an Authorised Guardian please complete the relevant part of the application form before returning it to the school.

Please ensure you advise the Authorised Guardian you will share their contact details with AXA PPP healthcare, the scheme intermediary, Marsh and the school.

Generally AXA PPP healthcare will not deal directly with any pupil under 16 years of age. Any contact regarding claims should be made by the parent/legal guardian who is named on the application form, or the Authorised Guardian.

Very rarely AXA PPP healthcare may deal directly with a pupil less than 16 years of age, but only on advice from their doctor that the doctor considers them competent to make their own healthcare decisions and is likewise not looking to deal with an adult on their behalf.

AXA PPP healthcare will speak with pupils 16 years or over on the legal presumption that they have the capacity to make their own decisions about their healthcare, unless we have cause to believe this may not be the case.

When a child reaches the age of 16 the authorisation from the parent will expire and AXA PPP healthcare will need the child to provide authorisation if the child wishes to appoint an Authorised Guardian.

If you choose an Authorised guardian other than the school it should be someone who will be readily available to communicate with AXA PPP healthcare and support your child. If you have already appointed a guardian who will deal with the school on other matters because you are out of the UK, ideally you would choose this person.

By appointing an Authorised Guardian you consent to that person discussing claims for your child with AXA PPP healthcare.

You also consent to AXA PPP healthcare discussing all aspects of claims, including information regarding the physical or mental health or condition of your child, with that person. You also appoint the Authorised Guardian to act in your place in giving consent, if necessary, to:

- a) AXA PPP healthcare obtaining information about your child's mental or physical health or condition from your child's healthcare practitioners;
- b) Your child's healthcare practitioners disclosing to AXA PPP healthcare; information about your child's mental or physical health or condition; and
- c) Your child's healthcare practitioners providing AXA PPP healthcare with copies of information or documents held in your child's health record to the extent AXA PPP healthcare deem necessary to enable them to assess any claim.
- d) Make shortfall/excess payments on your child's behalf.
- e) Receive payments on behalf of your child from AXA PPP healthcare e.g. for cash payments if your child has in-patient treatment under the NHS.

If you appoint an Authorised Guardian and at any point you wish to withdraw your appointment or there is a particular claim that you do not want your chosen Authorised Guardian to deal with, it is your responsibility to make sure that AXA PPP healthcare know this.

An Authorised Guardian is different to a Legal Guardian in this process and must be over 21.
