Dear Parent,

Re: High Performance Tennis Academy

We are very excited to announce a new High-level Tennis Academy at Abingdon School which focuses on developing each player to their maximum potential. This academy is aimed at boys that play in tournaments or are in teams A, B & C only. This will be led by Martin Butler, Abingdon School's Head Coach and Maria Llorca who has represented Spain at two Olympics as well as in the Federation Cup, won 10 WTA tour titles and is a world class elite WTA top 60 coach.

This high-level intensive & unique academy includes:

- Before and after video analyses in order to measure improvement
- Computer analyses of power, spin, contact point and serve motion
- Tactical analyses
- Matchplay with statistics after the match
- Talks from Maria on mentality, how to constantly strive for the next level on the court and in the classroom
- Talk through a professional recorded match with Maria. Learn what is happening technically and tactically to the top players

The academy runs from Monday 30 March to Friday 3 April 2020 (9am-4pm), with a one-hour break for lunch.

The full cost of this academy is £395 per person.

Course places are available immediately on a first come, first served basis and bookings can be made by following this link:
