### **First and Third Year Screening Tests in Literacy**

Dear Parents,

As part of our baseline testing and screening procedure at Abingdon, all boys in the 1st and 3rd Year are routinely tested to ascertain their levels of attainment in spelling and writing.

These assessments enable us to identify and if necessary offer support to any boys whose results suggest disparities between their academic potential and current attainment in these skills. Whilst of course we expect all boys to take testing seriously, there is nothing specific your son can do to prepare for these tests.

The tests will be taking place during English lessons during the week beginning Monday 28 September.

Best regards,

Sarah Beynon
