This is your teens chance to get back out into the world with their mates, get some new skills, make even more friends AND make a difference by getting their communities back on their feet.

We are following all Government guidelines with regards to COVID 19 to ensure that the programme is safe for all.

This years NCS summer will either be a 2 or 3 week programme, giving your teen the chance to gain independence, get out the house and stay away from home (Only on three week programme). Which, lets face it is much needed!

Phase 1 will give your teen the chance to test and challenge themselves by trying out new high octane adventures. They will also stay away from home (if they choose a three week programme) and have food and transport provided.

Phase 2 Your teen will learn the skills needed for work, further education and independent living. Completing various workshops to enhance their skills and increase their self-confidence, your teen will pick up a lot in this phase.

Phase 3 will allow your teen to plan their own project for a cause that's close to their heart and then action it to help their local communities and really make a difference.

Phase 4 will allow them to let their hair down and celebrate everything they've achieved! They'll also receive a signed certificate from the Prime Minister
