Dear Parent,

Design and Technology Summer Camp 2021

This Summer the DT Department at Abingdon School is offering Design and Technology workshop sessions to current Second Year students, and to students who will be joining the Third Year in September 2021.

The workshops provide an opportunity to learn Design and Technology skills and meet other like-minded students. The projects have been designed so the students will use a range of tools and machines and complete a project from start to finish.

The workshop sessions will run over two mornings, with two separate sets of session dates available:

Thursday 15 - Friday 16 July 2021**Monday 19 - Tuesday 20 July 2021**

The cost of this course is £40 per person for two days.

The course will run from 9.00am to 1.00pm on each day.

Course places are available immediately on a first come, first served basis and bookings can be made by following this link:

We hope this course will be of interest to your child and we look forward to welcoming them.

Please note that this course is run by Abingdon School Enterprises. If you have any queries, please email ase.info@abingdon.org.uk.

Yours sincerely,

Kieran Henderson
Commercial Director
