Dear Parent,

Football Skills Summer Camp – Wednesday 14 July to Friday 16 July 2021

We are very excited to announce a new Football Skills Summer Camp taking place at Tilsley Park, Abingdon. The camp will offer a structured environment for players to develop their individual skills, team tactics and confidence on the field. Each of the three days will have a specific focus with players improving their technical skills including controlling, passing, dribbling and shooting through a range of skill-based activities and competitions.

Each morning will consist of technical related practices to give each player the required coaching and time to develop each of the skills. This will then progress to more game based practices to ensure players are learning within the game.

The sessions are led by experienced UEFA Qualified coaches including staff from Fulham FC and Reading FC. The groups will be differentiated to ensure all players are challenged and improving across the three days.

Students should bring their own packed lunch each day, along with weather appropriate clothing.

The full cost of this camp is £130 per person.

Course places are available immediately on a first come, first served basis and bookings can be made by following this link:
