Dear Parent,

High Performance Tennis Academy

We are very pleased to announce the return of our High Performance Tennis Academy at Abingdon School Sports Centre, which focuses on developing each player to their maximum potential. This academy is aimed at development players of all levels and will be led by Martin Butler, Abingdon School's Head Coach. Available to children aged 11-15 years.

This high-level intensive and unique academy includes:

- Before and after video analyses in order to measure improvement
- Computer analyses of power, spin, contact point and serve motion
- Tactical analyses
- Matchplay with statistics after the match
- Talks on mentality, how to constantly strive for the next level on the court and in the classroom
- Talk through a professional recorded match. Learn what is happening technically and tactically to the top players

Participants should bring their own packed lunch each day, along with weather appropriate clothing.

Course places are available immediately on a first come, first served basis and bookings can be made by following this link:
