Dear Parent

**Parents' Evening for Upper Sixth on
Monday 11 October**
(and Tuesday 12 October overflow night for teachers
with 2 sets in the yeargroup),
6.30 – 8.30pm

Parents of students in the upper sixth year are warmly invited to discuss with staff their child's progress, via our online application "Parents' Evening System".

The appointment system will be open for bookings at 7pm on Tuesday 5 October and a reminder email will be sent from school. You are welcome to book appointments with your child's **subject teachers** on a first come, first served basis. Please see the following guide for booking appointments: [Parents' Evening System](#). As usual, if issues arise which you would like to discuss with your child's tutor, please contact them by email to arrange a time to talk.

Like many schools, appointments will be all on **one** main night only. However, **when a teacher has 2 or more sets in that year group**, bookings will be allowed to overflow into a second night in order to maximise the opportunity for parents to speak to the teacher.

The nominal time of the first evening is 6.30pm to 8.30pm, but some staff may offer earlier and/or later appointments. For the second night there will usually be fewer appointments available, as the majority will have been done the previous night. Here is the list of teachers who are needing to offer a **second night (Tuesday 12 October)**:

Biology:	Richard Taylor
Chemistry:	Michael Frampton, Mike Litchfield, Ian Middleton
Economics/ Business:	Dean Evans, Tony Gray, Simon Grills, Laura Haar, Adam Hepworth, Callum Richardson
Geography:	Richard Pygott
History:	David McGill
Maths:	Nick Ball, Julian Easterbrook, Maris Elmore, David Panter, Martin Poon
Physics:	Lawrence Barber, Kevin Magee, Alice Perry

In general, most staff will only need one night to cover all their pupils.

Staff who are caring for young children on their own may not have full availability and will endeavour to make alternative arrangements where necessary. Thank you for your understanding. Please email them.

We understand that many parents of our international boarders may be unable to make

appointments at those times due to the time difference. Please can those parents liaise with their child's teachers to find appointment times during the school day that would work better for them.

On the evening(s), all video conversations will take place via the Parents' Evening System application. Please [log into the system](#) on the evening and you will automatically be moved between teachers as per your scheduled 7 minute appointments. More information on using the system for the evening can be found [here](#). It is possible for families to be in multiple venues, yet all be part of the same conversation with the teacher - please find information on how to add another parent/guardian to the appointments [here](#). If a more detailed interview is necessary, then please arrange one at a more convenient time with the member of staff concerned.

If you have any technical difficulties during booking, please contact is@abingdon.org.uk.

Career Guidance, Non-UK University Applications, Alternatives to University (vocational education/training and work-learning programmes, and Gap Year: appointments can be booked with Michael Triff at the same time as you are booking to see your child's teachers.

Yours sincerely
