

Music Events in the Lent Term 2022

Thursday 27 January 6.00pm **SOLO CONCERT PLATFORM No. 3** – CMR, admission free

The first musical event of 2022 sees a number of our musicians in solo performance. Pupils from a range of year groups, levels and instruments will be on show – everyone is most welcome and admission is free.

Wednesday 2 March 6.00pm **ANNUAL CHAMBER MUSIC EVENING** - Amey Theatre, admission free

Our annual chamber event is unique in allowing the students to direct themselves in a range of small instrumental groupings – brass, woodwind, piano and strings. Again, admission is free and all are welcome!

Wednesday 9 March tbc **SOLO SINGERS' PLATFORM** - CMR, admission free

Always a popular event, we hear the majority of the school's taught singers in a wide range of genres – lieder, opera, musical, folksong and popular – accompanied by their singer teacher, Mr Andrew Yeats. All are welcome!

Wednesday 16 March 6.00pm **SOLO CONCERT PLATFORM No. 4** - Charles Maude Room

The second solo platform of the term sees another cohort of our talented young soloists airing their current pieces for their experience and our entertainment. Do join us.

Wednesday 23 March 6.00pm **INTERMEDIATE INSTRUMENTAL SOLO COMPETITION** - CMR

Our Intermediate solo competition for pupils between grade 6 and 8 sees pupils competing for this year's prized trophy with an external adjudicator delivering helpful feedback and making those tricky choices.

Thursday 24 March 6.00pm **SCHOOL CHOIRS EVENING** - in the Chapel, admission free
Abingdon Academicals, Chapel and Gospel Choirs

Our School Choirs Evening gives us a chance to hear our various choirs – Chapel, Gospel and Close Harmony. Unfortunately, our joint chamber Choir with St Helen's School is not yet up and running, but there will be plenty to enjoy in this short concert in Chapel.

Thursday 31 March 7.00pm **SPRING CONCERT** - Amey Theatre Orchestras, Bands
Tickets: Adults £6, Students £4, Family tickets £16

Our end of term concert provides a platform for our bigger ensembles – the orchestras and bands. Chamber Orchestra will play one of Bach's famous Brandenburg Concertos (No 3), First Orchestra movements from Dvorak's wonderful 8th Symphony and a range of pieces from Second Orchestra, Big Band and Concert Band. Since we will need to arrange seating, please apply for tickets from the Box Office in good time.
