

ABINGDON

From Senior Nurse: Helen Morris

7 January 2022

Dear Parents of Second, Third, Fourth and Fifth Years ONLY

**Second Covid-19 Vaccinations Day Wednesday 19 January 2022**

We have been informed that the NHS Immunisation team will be in school on Wednesday 19 January to administer second Covid-19 vaccinations for children aged 12 to 15 years. The NHS has provided a letter and a parent information booklet (please see links below).

- [Letter and Consent Form](#)
- [Booklet](#)

The letter includes a link to an NHS consent/decline form. **Please note that even if consent was given for the first Covid-19 vaccination, you are still required to give consent again.** Please note the equivalent year group for your child when completing the consent form:

*Second Year = Year 8; Third Year = Year 9; Fourth Year = Year 10; Fifth Year = Year 11*

You will also need the school's unique code to complete the form which is **OX123312** and your child's NHS number.

Boarding parents and guardians will need the following details to complete the form:  
*GP = Dr Khan, Surgery = Malthouse Surgery, Abingdon*

**Please give or decline consent by midday on Friday 14 January. If consent is not received by midday on Friday 14 January the Covid-19 vaccination cannot be given.**

We have been informed that if your child has tested positive, they are not able to have their second Covid-19 vaccination for 12 weeks after the date that they tested positive.

You may have already booked a second covid-19 vaccination for your child at a community clinic, in which case, please ignore the above.

Should you have any queries, please contact the NHS Immunisation team on [immunisationteam@oxfordhealth.nhs.uk](mailto:immunisationteam@oxfordhealth.nhs.uk). Any further queries to [covid.testing@abingdon.org.uk](mailto:covid.testing@abingdon.org.uk) but please be aware that we are unlikely to know more as this is very much a NHS exercise.

Best wishes

Helen Morris
