

ABINGDON

From Uppermaster: Nick O'Doherty

10 March 2021

Dear Parent/Guardian

### Yearbook

The production of this year's yearbook is in full swing and the student editors have commissioned *Yearbook Machine* to create a high quality keepsake of your son's time at Abingdon. The finished product will contain photos, individual profile pages and a range of additional articles all printed to a high standard and presented with a hardback cover.

The final cost is determined by the creative choices of the editors. They are yet to finalise decisions about layout, the number of pages and quality of colour photos, etc, therefore I can only tell you an approximate price of £30-32 at the moment.

The yearbooks are due to be available for distribution in mid-late May. Because of the bulk manufacture at a printing firm we are not able to order additional copies at a later date.

The order will be placed via a Google Form which I have sent to your son today. The cost will be added to your school bill unless you let me know that you do not give your permission.

On behalf of the Yearbook Committee
