

Joint Bus Service

2022-23

JBS

Welcome

Dear Parents,

Welcome to the Joint Bus Service Guide for the 2022-23 academic year. This is the inaugural version of this guide, which sets out the wide range of travel options available to the students.

From September, we are delighted to announce that the Joint Bus Service has appointed Vectare, a specialist school transport management company, to manage the bus service on our behalf. Vectare are responsible for over 2 million independent school journeys per annum.

All new bookings, whether ad-hoc, or as a new 'traveller' can now be made via our online booking system, which can be viewed at jbs.vectare.co.uk. There is still no need to complete any paper forms, and this new website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

If your child currently uses the bus service, your booking will automatically be transferred over to the new system.

We hope that you find this guide informative, but if there are any questions or queries, please do not hesitate to contact Vectare at jbs@vectare.co.uk.

Shuttle

Students from The Unicorn and The Manor are able to use the Joint Bus Service in the same way as students from both St Helen and St Katharine and Abingdon School. In order to allow students to travel a shuttle service operates between St Helen and St Katharine and the two schools. Please see the timetables below.

Unicorn Shuttle (operated by Pearces Coaches)		
Stop	AM	PM
St Helen and St Katharine	8:35am	4:15pm
The Unicorn School	8:30am	4:10pm

Manor Shuttle (operated by Whites Coaches)		
Stop	AM	PM
St Helen and St Katharine	8:35am	4:15pm
The Manor School	8:30am	4:10pm

Students from both schools are met by staff from their respective schools each morning when alighting the service. They are then transferred onto the shuttle service and taken to school. In the evening, the shuttles depart from the respective schools and are transferred onto coaches at 4:15 from St Helen and St Katharine.

Please note that whilst the shuttle services are chaperoned, the main school bus routes are not.

Route Availability

Due to the different lengths of each school's day and to manage capacities, there are certain restrictions for each school on which service can be used in the afternoon.

Terms & Conditions

1. This agreement is made between all Joint Bus Service passengers, their parents and Abingdon School and St Helen and St Katharine in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for students' journeys to and from the Schools are the responsibility of their parent(s) or guardian(s). To assist with managing this responsibility, the Schools use the Joint Bus Service (JBS).
3. The JBS is a collaboration between Abingdon School and St Helen and St Katharine and is managed on their behalf by a company called Vectare. A small number of students from The Manor Preparatory School and The Unicorn School also use the JBS.
4. Parents are responsible for their child prior to boarding the JBS in the morning and after alighting the JBS in the evening. The School is responsible for seeking to ensure that students are conveyed safely and efficiently.
5. Travel on the JBS must be arranged in advance online via jbs.vectare.co.uk and paid through the School's termly bill. Travel is subject to seat availability.
6. A JBS booking will automatically roll to the next academic year and be charged via the termly bill.
7. If a parent no longer wishes for their child to use the JBS they should give notice via the 'Contact Us' form on jbs.vectare.co.uk. One full term's notice (as defined in the School's parent contract) must be given otherwise a term's JBS fees in lieu of a full term's notice will be charged.
8. Any change in JBS prices will be notified with at least a full term's notice. Any changes are usually notified at Easter to take effect the following September.
9. Each passenger will be added to a bus list detailing the route they travel, their bus stop and what travel has been paid for. Their name will appear on a list which can be checked by the driver.
10. Users of the JBS are generally required to 'tap on/tap off' the bus using a system provided by the JBS such as a 'contactless' ID card or QR code.
11. If you wish for your child to use the JBS on an ad-hoc basis, or to vary the details of their bus travel as a one-off, this should be done via jbs.vectare.co.uk. A charge is levied per single journey for individual trips depending on location.
12. Bookings on the JBS are non-refundable in the event of a student failing to travel.
13. No student is permitted to travel on the JBS if not pre-booked for that route. Students who travel on the JBS without pre-booking online will have a standard fare of £20 added to their account for each trip taken.
14. Students must travel on the JBS in full school uniform or school sportswear (except on approved non-uniform days).
15. Students should be at the bus stop 5 minutes before the scheduled time of departure to ensure they do not miss the service
16. Except when embarking or disembarking, all passengers must remain seated with their seat belts fastened correctly.
17. Good conduct is required at all times. Shouting, use of foul language, dropping litter, playing music, or any other misbehaviour is strictly forbidden.
18. All JBS passengers must accept, without question, the authority of a member of staff, transport company official or bus monitor who may give any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
19. The JBS aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time.
20. Failure to comply with any of these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the JBS.

FAQs

1. What happens in the case of severe weather?

In the event of severe weather, all parents will receive a communication, from Vectare, prior to 06:45pm. This will be posted on jbs.vectare.co.uk and an email and text message will also be sent.

The bus operators will take the decision whether to allow a bus to start on a route, and then it is the driver's responsibility whether they can continue along all sections of the route. They will endeavour to deliver safely as many students to school as possible. There will be staff available to receive them.

2. What happens if my child has left something on a bus?

In the event that a personal item is left on the bus, A Lost Property form can be completed at jbs.vectare.co.uk. This will automatically contact the relevant coach operator, before we come back to you.

It is possible that the item may have already been returned to the appropriate school by the coach driver. Lost Property for Abingdon School is returned to the Bursary at St Helen's and then collected by the Porters and taken to Faringdon Lodge.

Please note that due to the scheduling of coaches used on our network it may not always be possible to return things to school immediately. Providing items are found, our coach operators will endeavour to get them back to school at the earliest opportunity. If items are lost on a Friday evening it may not be possible to recover them until Monday/Tuesday due to limited staffing in place over the weekend.

3. What happens if my child misses a coach?

Every attempt will be made to ensure all students catch their designated coach but in the unlikely event that a student misses one of our late departure coaches from Abingdon School the following procedures apply:

- Students will be escorted by the Abingdon School Coach Park Duty Master to the Abingdon School Common Room Secretary.
- It is the parents/guardians/ emergency contacts responsibility to make arrangements to collect any student who misses their bus.
- If students have not been collected by 6:30pm they will be transferred to the Abingdon School Sports Centre to await collection.

For St Helen and St Katharine, should a child miss the 4:20pm service they will be taken to Reception and JBS will contact the parent.

It may be possible to accommodate them on the later service from Abingdon School at 5:20pm (subject to capacity).

4. Will my child have to stand on the coach?

Students must sit in seats throughout the journey and not move about the coach whilst the vehicle is in motion. All students will have a seat onboard. Prefects will carry out seat belt checks on every trip and students must comply with their request to put seatbelts on. Failure to comply with this requirement could result in a student being removed from the bus. In these circumstances refunds would not be available.

Seats at the front of the bus, nearest the driver, must be kept free for students from The Manor and The Unicorn School on the morning and 4:20pm services.

5. What luggage can my child take on the coach?

Students are welcome to take reasonable luggage onboard the bus. This would normally include one sports bag, and a holdall bag. Items such as bicycles, kayaks and other oversized items are not allowed onboard the service.

All students are reminded that emergency exits should be kept clear at all times and the luggage is the responsibility of students.

All coach lockers must be opened or closed by the driver. Passengers must wait for the driver to disembark before boarding or disembarking so that the driver can attend to the locker promptly.

6. What happens if there are delays to the JBS?

There will be occasions when there are delays. Where possible, we will make you aware of delays by text message and via the jbs.vectare.co.uk website.

From October half-term, we are hoping to enable vehicle tracking for parents, so they are able to see the live location of the service.

In the event that the operator is unable to access one or several route stops (whether it be on the inward or homeward journey) as a result of an emergency road closure, they will make every effort to collect or drop students at the nearest available stop.

7. Is there a sibling discount?

Where one or more children are travelling on the same journey, from the same location, and on the same regular travel bus pass, a discount is provided. Second child; 15%. Third and subsequent children; 75%.
