

ABINGDON

Abingdon School Music Society

The ASMS is the parent body established to support the musical life of pupils. Our income comes from a small annual subscription and a few fundraising events.

The ASMS funds regular master classes for the students, we offer bursary support for musical tours, workshops, courses and we assist in the purchase of specialised instruments to allow a broader repertoire to be performed – such as piccolos, baritone saxophones, bassoons and harps!

We also support overseas orchestral tours, such as the hugely successful tour to Japan & Hong Kong in 2019 and will be concentrating our future efforts towards our next European Tour scheduled for July '23.

We need you! You don't need any experience, musical or otherwise – it's a great way to be involved with the school and we welcome new opinion & creativity as to how better to promote our ventures! Being on the committee is not onerous either – actually, it's a bit of a laugh! We hold one meeting early each term and members & supporters help, where they can, by serving drinks during the intervals at school concerts.

Please join us!
