

ABINGDON

From: The Duke of Edinburgh's Award Leader, Mathew Dempsey

8 September 2022

Parents of Fourth Year Students Duke of Edinburgh Award Bronze Level

Dear Parents,

Introduction

The Duke of Edinburgh's award offers a personal challenge through a balanced programme of activities. Students are encouraged to serve others, acquire new skills and experience adventure. It is non-competitive, being based on individual improvement and achievement, reflecting personal choice, initiative and perseverance and, in some cases, leadership.

When students sign up for the award they will be provided with a welcome pack, a login ID and password for the eDofE recording system. The welcome pack contains various leaflets, a 'Keeping Track' booklet for recording progress within the various sections of the award and a discount card for use in various outdoor shops.

Students joining the award should be aware that it is their award. This means that it is for them to motivate themselves to complete the skill, volunteering and physical sections. The amount of time required for each section is contained on the award [website](#); however it equates to approximately one hour a week over a three month period for two of the three sections and over a six month period for the remaining section. In most cases students can use something they are doing in school to satisfy the criteria as long as it is outside normal lessons. For instance, music lessons can be used, as well as many Other Half clubs and sports, a suggested list can be found [here](#). Some students are allocated one of the places only to drop from the scheme during the year because they do not motivate themselves to continue, by which time it is too late to reallocate their place. Please ask your child to consider if they can commit to the time required to complete the award before applying.

The only section that is arranged for them is the expedition section. This is so that we can ensure that they are safe and that the criteria of the award are met. In school we offer two types of expedition at Bronze level, walking or canoeing. Further details of when the walking expeditions take place are further on in this letter and in the school website calendar. Further details about completing the expeditions by canoe are available from Mr Johnson (mark.johnson@abingdon.org.uk).

The award's website <http://www.dofe.org> is the best source of information and is updated frequently with new ideas and information. Participants new to the scheme are strongly advised to look at the site or to watch this [presentation](#) before applying for a place on the award in school.

Costs

The major costs associated with the scheme are for the joining materials and travel expenses for the expeditions, although every effort is made to keep these to a minimum. For planning purposes some costs are detailed below based on previous years' expeditions. There is also the initial enrolment fee.

Enrolment fee £55.00 This includes initial registration with eDofE (£24), a welcome pack, certificate and badge (on completion), a contribution to licencing cost, a contribution to safety and expedition equipment maintenance and replacement.

Expeditions: Practice expedition £45.00 approx – Abingdon area

Abingdon School, Park Road, Abingdon, Oxfordshire, OX14 1DE

Tel: 01235 521563 Fax: 01235 849079

www.abingdon.org.uk

Qualifying expedition £55.00 approx – Wiltshire Downs

These are per student to cover items such as travel, campsite fees, maps, cooking fuel and maintenance of the school kit. (*Costs for canoeing are slightly higher due to increased travel costs.*)

Expedition Training

Expedition training and planning is organised centrally. Many of the students will have completed much of the training during the Expedition Skills option of their 3rd year service activity or through the CCF. It is **essential** that your child attends **all** the remaining planning and training sessions so that their eDofE account can be signed off showing that they have completed the mandatory training and have reached an acceptable level of competence. It is also essential that students work together as a group. Groups will also be required to plan their expedition routes in readiness for the assessed expedition. Dates for both the training day and planning sessions are below.

Training and Walking Expedition Dates

Sunday 7 May 2023 8:30 – Monday 8 May 2023 18:00	Practice expedition
Saturday 20 May 2023: 8:55 -12:00	Route-planning
Sunday 11 June 2023 08:30 - Monday 12 June 2023 19:00	Assessed expedition

Students **must** take part and complete both expeditions and the route planning morning. Failure to do so will result in them not completing the expedition section and therefore not obtaining the award at that level. Therefore please consider if your child will be available for both expeditions and the route planning before applying for them to join the award. Training and expedition dates for canoeing will come from Mr Johnson depending on uptake.

Joining the Scheme

To join the scheme students and parents should complete this google [form](#) together. It will only be valid if it comes from a parents e-mail account. The form should be completed by Friday 30 September 2022.

https://docs.google.com/forms/d/e/1FAIpQLSfL6VxcWPTGOsrDIE2bFsB_PBSj2Q9M4ej0Lnh7TmPBHsnxB/viewform?usp=sf_link

Once students have been allocated a place they will be notified by email, the start date will be Thursday 1 September so students may start their activities immediately. Due to the time it takes to set up with an eDofE account there may be a short delay.

Finally students need to be aware that, although the Duke of Edinburgh's Award is not time-constrained (up to age 25), they should attempt to complete each element within a specified time, and that this will require a consistent effort and commitment on their part to achieve.

Please make sure your child is aware that to progress on to Silver level they will need to have completed all sections of the Bronze award and for it to have been signed off on eDofE before the end of June 2023.

Yours sincerely,

Mathew Dempsey
Biology Teacher, i/c DofE.
