### **4<sup>th</sup> Year Rivers' Fieldwork**

Dear Parents

The Geography GCSE incorporates a number of fieldwork skills which are taught as part of the course. This requires two fieldwork trips throughout the year. The first of these is on Thursday 6 October and will be conducted within Abingdon within school time. There is no need for action on your part nor is there a charge for this trip. For this fieldwork pupils will need to bring wellington boots or other similar waterproof footwear as we will be working within small streams near the school.

The next fieldwork trip will be to Oxford in March 2023. This will incur a small charge to cover bus travel and your consent will be needed. The necessary information will be sent to you after Christmas.

Yours sincerely

Amy Donnelly, Head of Geography

Abingdon School, Park Road, Abingdon, Oxfordshire, OX14 1DE
