

ABINGDON

From: Head of Wellbeing, Paul Gooding

23 February 2023

Dear Parent/Carer,

OxWell Student Survey

Our school has signed up once again to take part in the OxWell Student Survey, which aims to understand the health and wellbeing of young people and help schools to support their students' mental wellbeing. This survey provides the school with really useful data so that we can make adjustments to our overall pastoral provision as well as in the personal development education programme. Please read through the attached Information Sheet for parents and carers, and for more information about the OxWell Student Survey see the research team's webpage (<https://oxwell.org/>) and answers to [frequently asked questions](#).

All students from the 2nd year to U6th will be invited to complete the survey during mid March unless you contact the school to opt-out your child. If for any reason you do not want your child to take part in the survey, please notify the school (paul.gooding@abingdon.org.uk) by Monday 6 March.

Kind regards,

Paul Gooding
Head of Wellbeing
